U. A. Grant

For a leave of absence of thirty days. to enable me to visit my home in Florida, to attend to some business left by me unsettled some fifteen months since and which requires my personal attention.

I do not wish the Commanding General to think it is my duty or position to absent myself from the Army, or my post. I have not been absent from my Regiment since I left Florida nearly fifteen months since and now that the Adjutant of the 1st Florida is present for duty, I think I could be spared for a short time without any injury to the service.

Hoping that the Commanding General will take into consideration my circumstances I remain, Sir, your obedient servant.

Major General Silliman, Sept 26 1861
Dear Sir

I take the liberty of addressing you on a subject in which as you will see must greatly interest me, most respectfully asking your kind consideration and aid in furtherance of my request and wishes - My son West Stevier (whom I believe has the pleasure of being known to you) now on Camp Centreville Va has been in active service (as lieutenant) for nearly six months, (at Camp Walker Camp Colored and Charranar) for about the last four months, a 1st Manassas first lieutenant of a company of 800 men, in the Seventh Reg^t Col^d Hayes, he has been in the battle of Bull Run, Manassas, and a night engagement called the action of the pickets, in which his company and another were only engaged - through all of which his fellow officers of the Reg^t informed he acted firmly and creditably. West was at a military school - and while in France for nearly two years he took

great interest in military affairs and indulged his taste by studying the French works on Tactics &c. - and was thrown into military society, so with constant attendance and I may say intense study since he entered the service, and pretty hard drill at Maudslayi - he is quite a military person and as those officers of his Regt who have been here since the battle have assured me, he is a very competent officer and an excellent tactician -

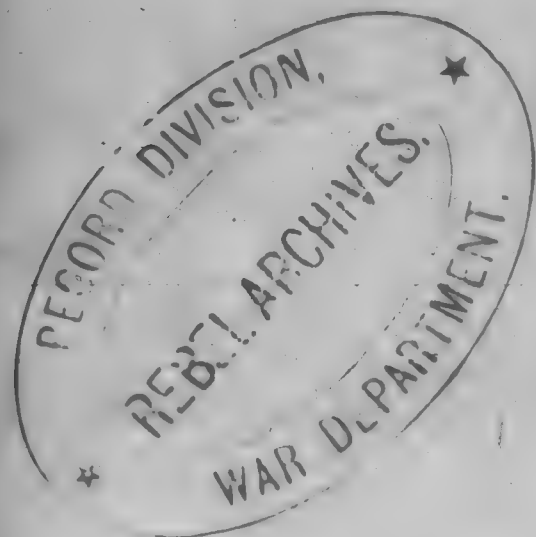

Col. B. B. Chittles
About a month since
of the Jackson Regiment called on me
and offered West through the Regiment
appointment of Major of the West,
I wrote and telegraphed that he would
to which he replied that he would
be most happy to accept the appointment,
but as they were ordered in front and
to hold themselves ready at a

moment's notice, he did not consider
that he could consider my own honor
reign in the eye of what he supposes
an early battle, and that no private
advancement should induce him to
do so - they view of the case he has
kept for some time, till finally I
telegraphed and wrote to him to come
in here and take the appointment
as Major, as there was some thing
undoubtedly to be done in Kentucky,
and that all the chances were
that he would sooner find a battle
there than on the Potomac -
So should he come, (and I believe he is
in the way) you can propose his and
my disappointment if any new
arrangement should deprive him, after
being so strongly urged to come out for
the appointment - which my dear friend
places the matter before you subject

Dear Genl. Davis,

Sept. 11th Regt. A.C.

Lieutenant,

Having

learned with regret that Captain John Boatwright, our Company Commander, has been dropped from the roll of Officers on account of his incompetency to pass the examination required by an act of Congress, And that Brig. Genl. Walker has forwarded a paper to General Beauregard recommending that Genl. E. N. Fraser be our Captain. We the Officers and Privates of Company No. 11th Regt. A.C., do earnestly protest against such a course, as the conditions under which we enlisted as Volunteers in the Confederate Service, were, that we would always have the privilege of selecting our own Officers whenever a vacancy might occur; and in conformity with this and regulations we submitted our names and request that the Rev. A. R. Walker should appoint of our Regiment be appointed Captain of this

Company. We have known him for years;
his open and generous heart. Together with
his Acknowledgment of his part in
the ^{proper} ^{Chadler} for Company "H".
Hopkins that Colonel Gantt will
attend to this matter for us, Sir.
We have the honor to be, Sir,

Very Respectfully

Brig. Genl Thomas Jordan
(Chief of Staff)

General,

I have the

honor to report that, in accordance with instructions from Dept. Hd. Qrs., of evenmnd. yesterday, the general condition of Company K. 11th S.C. Vols. for the purpose of ascertaining whether it is in such a state as may call for a change of Officers.

That Company has no Captain and no first Lieutenant. The former, Captain Worthington, now absent without leave, has been suspended by order of the Commanding General; and the latter, Lieutenant J. H. Hurdough, has resigned, since the 26th September last; his resignation was accepted.

Second Lieutenant J. B. Hurdough is now in command of the Company; and the Senior Second Lieutenant William Johns, though present with the Command, was sick in quarters when

I made my tour of Inspection.

In arrest in Camp. 1

The general discipline and appearance of this Company are as good as in most Companies. The Guard are well armed for thought. The Libs are in such a condition as to make it very difficult in bad weather to keep anything dry in them.

Your men were entirely barefooted. About 20 others had very bad sholes. Many Cantins & Haversacks are missing, all the men have knapsacks.

Second Lieutenant L. W. Mordough will very likely be promoted to the 1st Lieutenantcy of his Company. We appeared on the 6th and 7th of this month, before a Board of Examiners, whose report has not yet been published. He waives his right to the Chaplaincy in favor, I was told, of the Chaplain of the Regiment, the Rev. A. B. Stephens, as regards whom a petition was sent by the Officers and Board of Co. B. praying for his appointment as Chaplain.

On the other hand, Lieutenant Fraser, former Adjutant of the 11th S.C.A. but now acting Inspector to Gen. Walker's District, is recommended by Gen. Walker, to fill the same position. Neither of these gentlemen being present with the Command, the Chaplain, because he is on sick leave, and the Lieutenant, because he no longer belongs to the Regiment, I could not examine or see them. I was told by the Colonel (Col. Mayhew) that Lieutenant Fraser is an able Officer, and that the Chaplain, who has been with the Regiment sometime, is an active, intelligent and gallant man. How far he has made himself familiar with the details of the service.

what sort of disciplinarian he would be, the Co. was unable to say. I did the fact that a Surgeon is needed in Company K, is as plain and evident as can be. It is also very clear to me that some Officer out of the Company will have to be designated to hold that position. The two candidates, Lieutenant Drayer and Chaplin Stephens could be recommended by a Board, and the most capable of the two selected by the Commanding General. 2^d Lieutenant J. W. Mordough, though very zealous and active, would not be the proper Officer to be placed in permanent command of the Company.

Respectfully

J. W. Mordough

1st Col. & Insp. Genl.

Gen^l

Since in
yesterday forwarding the Petition of Brog Grier
W. V. Alden for the Appointment of C. W. Fraser
to the Captaincy of Company "K" 11th Reg^t S.C.V.
I have learned the wishes of the Company in
this matter, and have with them a Petition
for the Appointment of the, R. V. L. D.
Stephens Chaplain of my Regiment to the
position, and would respect fully inform you
that if it is thought necessary to drop from
the Role of Officers the present Captain who
has held his position for over a year, and who
seems to be getting on very well with the
Company that the Appointment of R. V. L. D.
Stephens be made, as I look upon
him as one who would not only make an
efficient Officer, but would also be satis-
fying to the Company; which is one of
the largest and best Companies of my Regiment

and have ever joined their class willing
to do their duty. I would therefore request
to see any one appointed in the 1st
regiment they would be disappointed, whereas
I fear should be the case with
C. H. Fraser appointed. I therefore withdrew
my approval to the petition in this case, as
I deem it for the good of the service, and
would again suggest that, as the Res. A. B.
Stephens would make the Company an ef-
ficient officer, and his appointment be satis-
factory to them, that he receive the appoint-
ment, if one is to be made. You will per-
ceive that the officers and men of the Company
have united in the Petition for the appoint-
ment of the Res. A. B. Stephens, and that
they are opposed to the appointment of
C. H. Fraser. Hoping that my opinion
and wishes will settle the Company in
the above matter, may have it, weight with
you in deciding as to the appointment. I
have the honor to be

Very Respectfully
Your Obedt. Servt.

Dear Vaughan's East Tennessee
Victims, Miss, Camp 15, 1863.

Colonel,

I have the honor to mail to you this
morning my quarterly list for the fourth quarter 1863.
Previous to this, the Command to which
I was attached, V.C. Smith gave Quartermaster
very little time to get up their papers in the field.
I hope you will on that account excuse the late
date, at which they were forwarded, from East Tenn.

Very respectfully

Yours, Obedt Servant,

bond has been up until now.
It appears that a bond was

is that you had not been
appointed on 11.2 per. master
& a letter was written letting

Secessionville December 1st 1862

Captain

A Copy of the Report of Lieut Colonel Roman,
on his inspection of the 24th Regt S.C. has been
forwarded to me, and it is a source of my deep
mortification,

I beg leave to say that most of the irregu-
-larities there stated, are owing to the fact that
my Regiment has scarcely had the services
of any of its Field Officers for many months.
Having been myself detached in August last
and assigned to the command of the Force on
James Island, Lieut Col. Carpenter about the
same time was detailed as a member of the
Manning Board, and since his return has
been in command of the Post at Secessionville
as well as the Regiment, He is now, for the
first time, since his entry into service, about
sick, Major Hammond has been about sick
since August, Captain Sigwald, a good officer
and Senior Captain, has been about sick, and
our Comd's Mantel during much of the time.

within the last four months, and I was myself
absent in leave, at the time of the inspection,
for the first time since I have been in service.
In addition to which the General Commanding
has been already made aware of some of
the influences which have tended to weaken
and destroy the discipline of my Regiment.

With regard to the Criticisms of the
Inspecting Officer, I have only to regret that they
are correct, except in one particular, The
Camp of the 2nd^d Regiment is laid out in accor-
dance with Army Regulations, except that the
width of the Streets, which it was in my ^{page}
must, necessary to Contract, in order not to
encroach upon Space that was necessary
for other purposes.

The consequence of the very bad condition
of the Company Streets, Permission was given
the men to make such shelter for their selves
as they best could, and in doing so they
have in some instances encroached upon
the Streets.

In consideration of necessities of my Regt.

I beg leave respectfully, to renew my application (actually twice made before), that I may be relieved from the command of Troops on Sarnes Island, and be assigned to my Regiment.

I am, Sir, respectfully,
Signed / C. H. Thomas

General: I have the honor of recommending private Jacob R. Stevens of my Command for the position of Quarters Master of the same. Mr. Stevens is eminently qualified for the position, being a trader of fine business tact. He is familiar with the duties of the position for which I recommend him as he has been for some time the Clerk of my Acting Quarters Master. I have never held a Quarters Master and labor under many disadvantages thereby. I prefer a Quarters Master of my own choosing if it is possible for me to get him, as I have selected Mr. Stevens with special reference to his qualifications and energy. He is as well known in Va as he could ever give Board at once. I respect fully, but earnestly request that he be commissioned at once immediately. He is a citizen of the State of Georgia. A Quarters Master was once assigned to my Command but I have since received official notice from the Hon. Sec of War of the transfer of that Quarters Master to the Army of Genl J. E. Johnston.

Very respectfully

The Med. Board did not as-
sign this officer to duty. This
was the work of the Med.
Director. The Med. B. and
was instructed to recom-
mend applicants accord-
ing to their merits and
not according to their nom-
inal positions. Dr. Stevens
was, after a fair exam-
ination, considered quali-
fied only for the place

Had he been recommended
for Surgeon, he would not
have tendered this resign-

approve his application.

A. & S. General

Richmond Va

Sir, I have the honor
to tender my resignation of appointment
as Surgeon of this Regiment by the President
of the Confederate States dated Augst 1st 1862
for the reason that its rank & privileges are
foreign to me and prove my appointment to
duty in this Regiment as. Dist. Surgeon,
of the Medical Examining Board, of this
Corps of the Army of Tennessee is in respect
different that these conflicting appointments
place me in a position of unsatisfactory and
is that so unpleasant that a proper regard
for personal feelings requires that I resign
I took occasion immediately after the ac-
tion of the Board to tender my resignation to
the War-Department, but not being then
thoroughly acquainted with the mode of cor-
responding I did not send it through the
proper channel & not having heard from
the Communication I infer that, its impor-
tance it either did not reach the Department or
that it failed to receive any attention.

I am, Sir Very Respectfully

Today I forwarded for your endorsement
a special recommendation for medals &c. as
I have hitherto been in the habit of doing.

as I had been informed the da. previous. The
personal recommendations would ~~be~~ ^{be redrafted}, I forgot
it, however, and so the honor of other honorary,
This is my apology for the blunder.

the work.

2^d Master General C.S.A.

Dr. Sir

The recent tax-bill passed by Congress will necessarily devolve on your Department an immense amount of new duty. Efficient assistants will facilitate a proper administration of your labors.

I have a friend who has been a quartermaster in the 12th Regt. of Volunteers since the commencement of the war. He is one of the most accomplished business men of my acquaintance. He is a splendid book-keeper.

His connection with the Army for two years has given him an acquaintance with Army operations and regulations, qualifying him in every respect to be a most efficient Officer. His name is James Stevens, Captain and a.g. in of the 12th Va Regt. I should be glad if you would promote him and transfer him to some post in or near Petersburg he having rendered faithful service for more than two years. I believe him to be just the man to render the most efficient service in your Department. It is proper to add that this letter is written of my own option, to the end that your attention may be called to a most meritorious Officer and accomplished business man.

Hoping that this application may commend itself to your favorable consideration, I have the honor to subscribe myself your friend & obedt. Servt.

Chas. F. Collier

P.S. I do not desire that this recommendation should in any wise interfere with my friend Capt. E. B. Branch Post. gr. Master at Petersburg whom I believe there can not be a more efficient gr. Master in the service.

that your attention may

August 17th 1863

An improvement of free negroes for labor on the fortifications in the different Counties of this State and more particularly in the City of Richmond is now in progress under the laws of the State of Virginia. The great number of applications for exemption or discharge has rendered it necessary to establish a rule for the guidance of Engineer Officers charged with the reception & disposition of the free negroes impressed.

While the urgency for labor in the Eng. Dept is so great as to require improvements to supply it, it is by no means desired to interfere with labor hired in other departments of the Service.

I am therefore directed by the Chief Eng. to issue the following Circular to the Chiefs of Bureau or heads of depts for their information.

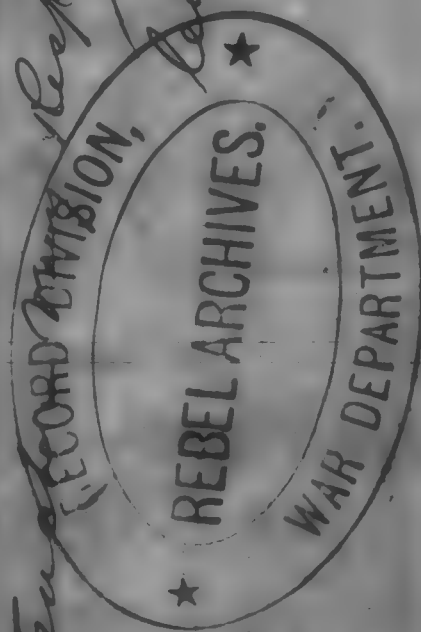

Free negroes in the employment of the Govt. will be furnished with a paper which will protect them from arrest by the Police or agents for collecting impressed negroes on their employes showing a certificate from a commissioned officer of the

Army or navy to the effect "that the
negroes named are actually on a
Government pay roll."

If a contractor with
the Government desires to have a free
negro exempted or detailed it is necessary
for him to furnish a certificate from
the Chief of the Dept with whom he is
contracting to the effect that "he has a
Contract with the Dept. that the fulfillment
of his contract is necessary for the public
service & that the services of the negro
are absolutely necessary to enable
him to carry out said Contract".

On presentation of such
a certificate the negro will be exempted
or detailed during the time allowed
for the execution & completion of the
Contract.

rank of Brig. Genl.

Col. Stevens is an officer of great
ability, has served with distinction in

highly deserving of the honor,
I wish to be conferred upon him.

In addition to his merits as an
officer, Col. Stevens commands more
than the number of men allotted to
a Brig. Genl., and is the Engineer of
the most extensive fortification in the
country. In view of this consideration,
I trust his Excellency, the President, may
well favorably regard his case.

Capt.

Yours of May 30 reaches
me this morn & I have had no earlier answer.

In reply I have to state that the articles contained
in the bones referred to were among my first issues be-
fore I was aware that they were to be accounted for
by receipt. I afterwards placed them upon my property
album to show how they had gone the parties to whom
they were issued being shown as expenditures to
the this time.

As to the gun slugs there must be some mistake
in your office there is no mention of them in the
copy of property return I have retained. If issued they
were picked up somewhere without issuing tickets
who are not held responsible prefer to do things in the
easiest way and it is difficult to get invoices I have
a good deal of property in the same conditions I always
demand invoices but rarely receive them from regimental
officers.

Very Respectfully
Yours O. H. Loring

always better that the party should have his discharge by Genl.

Your letter of the 23rd inst. informing me that the Chief of Artillery, consisting of 12th order two battalions of Artillery consisting of 12th order light & heavy turned over to Lt. Flannery, was duly received.

The only battalion of 12th Division my Division was not then fit for service - the Cavalry have not yet been received - and believing that neither you nor the Chief of Artillery were fully aware of the circumstances under which I received them, - they were ordered for me by Lieut. Gonzales some two months ago - I sent my Chief of Artillery to see you as the ~~expedient~~, & addressed to the Chief of Staff of Tamm, a letter dated, Sept. 1st, on the subject. In reply thereto, I recd. a date of the 28th, informing me that I could keep my arms.

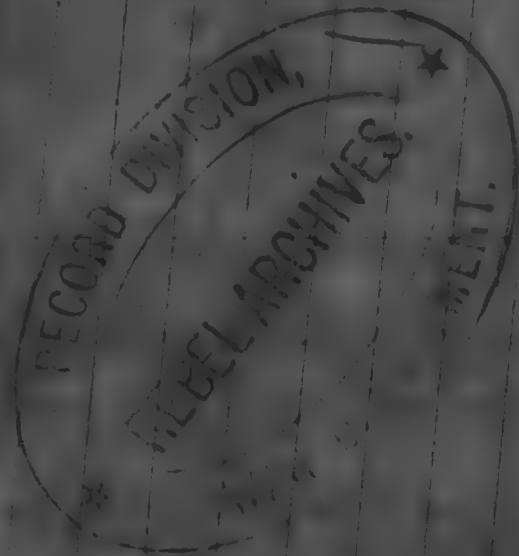

This battalion was in my possession have all been made for me. I have been engaged in procuring them since my first arrival at Demopolis from Vicksburg. I have had much trouble therewith, & I hope you will not take them from me.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and faint smudges. A prominent horizontal crease is visible near the bottom edge, suggesting the page was once folded. The left edge of the page shows the binding of the book, and there are some dark, irregular marks scattered across the surface, possibly from handling or age.

1. The first part of the document is a list of names and dates, which appears to be a record of some kind. The names are written in a cursive script, and the dates are in a more formal, printed style. The list is organized into two columns, with names on the left and dates on the right.

2. The second part of the document is a large, handwritten letter or note. It is written in a cursive script and is quite long, filling most of the page. The handwriting is somewhat slanted and has a distinct style, with many loops and flourishes. The letter is addressed to someone, but the name is not clearly legible.

3. The third part of the document is a small, handwritten note or signature. It is located at the bottom of the page and is written in a cursive script. It appears to be a signature or a short note, but the exact content is difficult to discern.

Dear

I beg leave to submit the following facts for your consideration. In so doing I am deeply sensible by motives of self defence. I feel that I would be doing injustice to my self were I not to indicate a wrong that I have since known exists about me in a, namely that I have since known some my friends in, and within "Antislavery circles" in this country, and in the United States.

I have been in the service more than a half year, and two years of that time I have been a commissioned officer. I have never received my letter of appointment from the President. This is an unusual thing in a regular and regular of the service.

required for the department in my charge. You
transportation has been much heavier than
it has been before this year or perhaps will
be again. I received in January 1863 for men

alone. This constitutes usually about an hour of
the amount required.

From this date you can judge of the
necessities of the Government for transportations at
this point.

Basis Statement of questions in Major's Memorial
Claims

When the Order of War called on the
State of Tennessee for thirty thousand
volunteers Governor Harris ordered
that the Volunteers Congregate at
Clinton in Campments to organize
into Companies and Regiments - to
enter the Army. The government
had to supply first Cash and Garrison
outfit. Through its officers and as the
more at that time not enough of
quarter masters to serve the army
already in the field Genl Johnson
ordered major Johnson in that case
to appoint a sufficient number
if you appoint to attend to the wants
of the new troops and to do so and
supply them with funds. The question
is, who is to render the account for the

disbursements. Mr Stevenson drew the money from the Treasury but he turned it over by the order of a superior officer to these of his agents he therefore is discharged from accounting for this by the rules of the service which require him to obey the orders of his superior officer and make his payment a discharge. Stevenson therefore is charged.

2nd Is it to be charged to Genl Johnson, I submit not because the exigencies of the service required the order and Genl Johnson knew nothing of the disbursements.

3rd Ought these sums to be charged to the quarter masters agents receiving and disbursing this money under pay I submit they ought.

Because it is right the men who disburse the money should take the vouchers and they alone can account for the money. The agents appointed as all men of business qualifications and men of

property & high character they are within the enemies line and their accounts cannot now be reached but they are highly responsible and will account as soon as they can be reached. They paid the money all out & it has gone into the service.

If their Bonds can be approved as voluntary Bonds then they will be held as accountable. If not approved a special order approving Genl Johnsons act and directing these men to accounts will be necessary.

Dear Sir,

My eldest son, is seven
teen years old; has been in the Nashville
Military College first for a short time,
(until the enemy took possession there)
then as soon as I could get him away
was placed in the Ga. Mil. Inst. at
Macon Ga. He is well advanced for
his age, stands high as a student, and
for deportment, but is stout and strong
and therefore thinks, in this great
peril of the country, his first duty
is to help her out, and finish his edu-
cation afterwards. I have opposed
him, and have kept him out of the
army, except for a short time, he, in
my absence joined the cavalry around
Nashville, when I sent in the fall
of 1862, got him away and sent him

school, at the Ga. Mil. Inst. There
has progressed well, but has pressed

let it my duty to say to you that by
quitting you will find that I settled
my accounts with the government,
after having disbursed over fourteen
millions of dollars, and accounted for
every cent of the money received, and
turned over upwards of sixty thousand
dollars of surplus means.
brought large quantities of wool

this way made full estimates, and
accumulated this surplus, and turned

Confederate States of America.

Quartermaster General's Department.

Richmond, Va. Sept 27th 1862

In this case the Confederate Government called on the State of Tennessee for thirty thousand troops I think about the first of November last when Genl. Harvis at once ordered the troops out to march at different points over the State to organize into Companies and regiments and ordered them supplied with Quartermastering at the different posts or encampments then of which were located close around Nashville Tenn. The Confederate States had no Quartermastering for the duty or not enough. Genl. A. A. Johnson ordered me as well as seen by the letter accompanying in this to furnish Quartermastering if he had if not to appoint Quartermaster agents

to "act for the Department in attending to the wants of the troops"

I appointed J. M. Moore & C. W. Kennedy who came out and have accounted to the Department for the funds drawn by them. I also appointed E. R. Glascock, A. Hamilton, R. H. Hill and H. K. Walker to whom I advanced money. These latter named four gentlemen I think all have remained at or near Nashville within the enemy's lines and have not sent in their vouchers. Hamilton, Hill & Glascock gave bonds as usual except as given agents in place of a quartermaster. Mr. Walker gave no bond the amount advanced him is only two thousand dollars.

All of these are men of fine money and standing. I appointed them in the emergency and under the necessity now above alluded to. When there were no quartermasters & no other work required

in fact up to this time it was hard to get Bonded Quartermasters enough to pay the Army in fact. I had to send one from my staff at Nashville to pay Genl. Polk's army at Columbus Ky. where in his whole army there was but one bonded Q. Master.

I ask most respectfully to have the sums advanced to Mr. Hill, Walker and Hamilton and Glascock placed to my credit. The irregularity of this transaction was not my fault nor that of Genl. Johnson who gave the order but the misfortune of the Government. I did the best could be done in inducing the best business men who are substantial responsible and reliable to serve the country. They did it from patriotic views mainly.

The unfortunate position I occupy on our Corps affairs is well

U. A. General

Bowling Green, Ky

The Louisville & Nashville

R.R. should, with its present rolling stock, by efficient and proper management, carry promptly all Government supplies offered for shipment.

The other Rail Roads terminating in this city are crowded with Government freight, and cannot be relied on to do the work of the Louisville and Nashville Road, without failing to do their own.

There are now no company supplies ready for shipment; so soon as notified by Capt Shaff transportation will be obtained if possible.

I feel unwilling to be held responsible for prompt and speedy shipments by this Road, unless the control of it is placed in my hands. I was put in charge of the Road by Gov. Harris, the State of Tenn. holding its bonds to a heavy amount, and having thereby a lien on the Road. The present management

of the Road will, I feel satisfied, give neither promptness nor efficiency to the service, nor security to the interests of the State. Should Gen Johnston see fit to entrust to me the control of the Road, I will immediately send to Bowling Green a man personally known to me to be an experienced and energetic Rail Road officer.

There are unaccounted for some forty cars, supposed to be part of the number assigned to the Memphis, Clarksville & Louisville Branch of the L & N R R, at the time Gen. Buckner seized the latter Road. These I should like reported as to present condition and use.

Respectfully sc,

William Brewster

Sir

Having placed the Dept in my
charge at Atlanta fully and excepting
under way and having now served the
country about two years I feel that I
have probably done what should be
required of me and as I have two
important rail ways the Nashville and Chattanooga
and the Nashville and North Greenville R.R. way
companies in my charge I feel that I
can be spared by the Quarles Masons Dept
that a higher duty calls me to this
responsibilities of the R.R. and Customs
in these times of scarcity of all - materials
and labor. Necessary to this preservation
locates as they are mostly within the enemy
lines

Therefore I must respectfully tender
my resignation as Major and Captain

15th day of May next

Sir,

You will please acknowledge for me
to Gen. Johnston the receipt of your order transferring to
me again the superintendency of the S. W. R. Road.
I am grateful that Gen. Johnston has again entrusted me
with the control of this important work, and will aid me
in endeavoring to increase its efficiency.

I shall be pleased to retain Mr. Leece, whom you were
agreed as Barting Gen. or efficient. The reason this
communication to the Col. Exp. is my right, authorized to
state the ap. of the Road, which Gen. Buckner &

proceed to see immediately, which he has been to do.

Dear Sir

I enclose you the
Certificate of Capt H. J. Braxton
Massingale of M. which will
cover the case of the lost sub
vouchers. When in Richmond
I believed from the fact that I had
lost no other papers that there had
not been delivered but went to see
Capt Braxton's source my return
and he satisfied me they had been
delivered to me. Therefore they must
have been once looked at
Nashville and are within the
Federal lines so far they occupy
my office there.

The Secretary of War
passed the 30th day a claim
which you will see on the back
of it on a paper around it
I sent Major Brown in second
auditors office a certificate covering
the same and he has before

over and Capt Massingale's chief
has enclosed well I hope cover
all I think under the
circumstances to have lost only
Sub Vouchers to one day's work is
very small in selling that
hundreds of disbursements in
this case producing in due
time the receipt of the R.R. Co.
with the certificate of Genl
that the Sub Vouchers had
been taken up

I am greatly indebted for
your attention to this business

Mrs Stevenson joins in
the kindest regards to you
and hopes to be remembered

We have no news from
Zerret except that our
money is moving to within
fifty miles of Nashville

Hon James A. Seddon
Sir,

I take great pleasure
in joining Generals. Chestnut, Palk,
Hoy and Johnson in recommending
Brig General Alex. P. Stewart for promotion
to the rank of Major General,
General Stewart is a gentleman
of high character and great moral
worth, a graduate of West Point,
and a most accomplished, gallant
and efficient officer.

The reports of the battles of
Chiloth, Perryville, and Murfreesboro are
highly eulogistic upon his conduct as an
officer and a soldier. There are
I can promise.

I trust that you may find
it consistent with your sense of duty
to give him the promotion that his ability,
worth and past services so richly merit.
Very Respectfully,

Thos. G. Harris

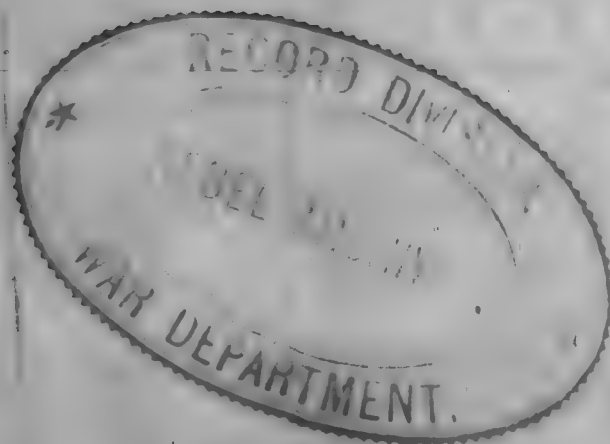

of Sumner I doubt not
will be delighted at his
being made a Major General.

I am perfectly satisfied
the above extract speaks
the sentiment of the
State and the army.
Genl. Bragg & Polk
expressly stated to me he
deserved promotion
McClelland, Crampton
& Porter & Smith have
all called my attention
to his claims. His valor
is only equalled by his
modesty. He ought not
to be overlooked by
the Government & I find
to be. Yrs. H. H. H.

My Dear Sir

When I saw
General Bragg & Polk in Knoxville
after their return from Kentucky, they
draw my attention to the extraordinary
merit of Genl. Alexander S. Stewart
& both agreeing in myght. to be prom-
oted to the rank of Major General.
I have since received a good many
letters from officers of Genl Bragg's army
myght in command. Who also speak
of him in the most exalted terms.

He is I believe the oldest Brigadier
in that Army. And is an officer of very
high standing in point of educa-
tion, (having graduated at West Point)
& oldenly qualities; he certainly has
the reputation in the Army.

To day I am in receipt of some
letters from Tullahoma; some of our
best Citizens, amongst them Chan Allen

Bromfield Ridley, who wants to
recommend General Stewart in
the strongest terms, for promotion.
Mr. George Reddy's letter, written
mainly on private matters, the following
sentences occur.

"The most accomplished officer
in the Confederate Army in Tennessee
is General Alexander S. Stewart.
His gallantry was exhibited in the
battles of Belmont, Freshing Creek,
Shiloh, Perryville, and Murfreesboro.
He ought to be promoted. That is what I
think of. I doubt not, will be delighted
at his being made a Major General."

I am so much afraid it will
have a bad effect in the Army,
if any one is promoted over him, I
feel it my duty to call your atten-
tion to him. I say nothing in dispar-
age of others, but only, that
he has no superior in the Army, if
I am allowed to judge, from the sentiment
of the Army, officers, and men, as I
gathered it, at Stone-ridge, Memphis
; as before, from the officers and men, &
from the letters I have read since, none
of whom I am sure were of his

circumstances for his recovery is equal
to his, Valon, nothing you under-
stand be able enough to go to your
office again. I remain as ever
your friend truly & respectfully.

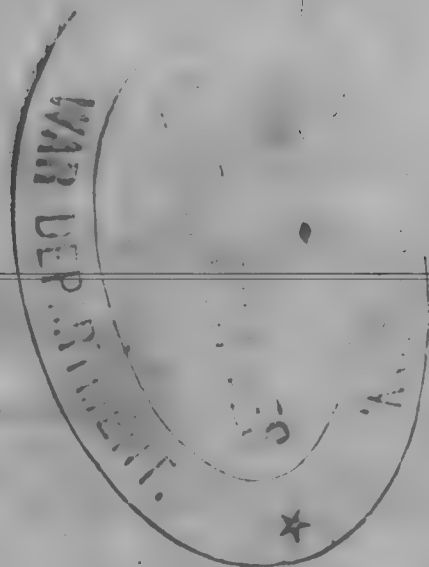

G. A. Henry

From the information we have
received from the army & from
an officer generally, we cordially
write in dissent, with the
above letter.

Their letter, however, was voluntarily tendered to me, because they were pleased to think me deserving of the recommendation it contains - and I forward it to you because it was so tendered, because the respect for them requires me to do so, and because the promotion they ask for me would be very gratifying to me, if in the judgment of my military superiors, & especially in yours ours, I am worthy of it. Your note of March 29th desiring on behalf of General Beauregard a detailed report of the evacuations of New Madrid including a statement of all the public property or supplies lost on that occasion, has just been handed to me.

I was called up at 3 o'clock this morning to prepare to march to meet the enemy, have "packed up" and am now awaiting marching orders. Under these circumstances, will the General be satisfied to rely upon Major Genl. Polk for the report I have already made to him? I did not keep a copy of the report, otherwise would send it, but I have made a written report to Genl. Polk which I presume embraces the information desired by Genl. Beauregard, and if that will subserve the object in view, it can, I presume, be furnished by Genl. Polk, & will greatly relieve me, as now situated.

But, if the General still desires the report called for on 29th, I will cheerfully undertake to furnish it, at whatever cost of inconvenience or labor.

If the report to Genl. Polk will suffice, I will send for it and have it copied. Please return an answer by the messenger.

Bowling Green, Ky.

Sir.

Columbus Ky. Jan'y. 24th. 1862.

We have a rumor here of
the capture of Crittenden & death of Hollicoffer. From all we hear,
I presume it is true. Will you pardon me for making a suggestion,
and at the same time for asking you to believe that it is not made
from any improper motive? It is, that McCorn would be the best
man for Major General, to have command in that Division. He is a
native of East Tennessee, his family reside there, and I believe he has to
a great extent the confidence of the people. I know what we would
lose here, by his removal - but we can hold this place. I have not
said a word to him, or any one else, on the subject, nor shall I do so -
If this suggestion should not meet your approval, no harm is done.

With the highest regard,

I am, General, Yr. Obedt. Servt.

Sir

Enclosed are the papers from Dr. Potts. I am perfectly well aware that Dr. Potts is not subject to my orders. My first letter to him was elicited by a statement from Lt. Col. Terry, verbally, which I enclose in writing, signed by Col. Terry himself. His Battalion was here without medicines or Hospital supplies, and many of his men sick. I thought the Medical Purveyor was neglecting him, and under that feeling wrote him a peremptory & "dictatorial" note. My second note to him was called for by the character of his reply to the first one. It was not my intention to give the Doctor to understand that I regarded him as subject to my orders (in a military sense), but that I had a right to see that supplies were furnished promptly to my command, when needed.

I have no disposition or desire to over-step the proper limits of my authority, or to be discourteous to any other officer; but it is my duty, and intuition, so far as practicable, to protect my own command from suffering by the inattention or neglect of others.

I am Sir, very Respy.

I have to say that I have been disappointed by Capt Adams, with objection to papers, without any explanation, that names cannot be given to them, and when I went to Dr. P. to tell him I wanted him to look at the requisition closely and see then whether it was right or wrong not to detain and required to arrest a minute after I had gone to the steam boat or had left for Calcutta. I told him furthermore that we have no medicines and wanted the Requisition filled at his earliest convenience. He said he would do it tomorrow, the 9 or 10 (I am sure) and forward them to me at Calcutta. He informed me the back of the Requisition, that they were to be sent to Calcutta and then Commence let them to some person. I thought from his manner, that significant impression had not been made on his mind, and lingered there until I got a second chance to bring the subject to his attention, and upon his assuming me a second time that the matter would be attended to, I left him. Some time afterwards, I went to my introduction at Calcutta, and there I saw that they were the subject to be attended, without effect known as the medicines were, came to the a short letter from yourself.

My business with the Requisition, I think, at Calcutta was only attended to & then in some way the balance still remaining in Calcutta after

GEN. POLK - PAPERS.

Col. R. B. Richmond

Aid de Camp.

Sir

In reply to your communication of
Inst., just received, in relation to the instructions to sentinels
duty at the Fort, I desire to say that ever since I have been
command of the Fort the orders to the sentinels have been to
permit no one, except a working party in charge of an Engineer
officer to cross the ditch or parapet, or to go into the ditch
for any purpose whatever. These orders have been read to the
Guard at guard mounting day after day, and are invariably
given to the Officer of the Day.

If they have been violated in any case, and the officer
witnessing the violation would report the same to me, so that the
offending sentinel could be identified, his punishment would be an
effective method of preventing such violations.

I am Sir

"

Richmond 7th. Nov. 1861.

Sir

he reply to your favor of 2^d inst. I beg to say that your commission as Brig. General has been ordered to be issued this day.

The delay has occurred from an error of Genl. Johnston in spelling your name "Hurst" The President not throwing any officer of that name who in his opinion was competent to command a brigade, was unwilling to issue a commission. Your letter to me at once removed the difficulty. "

You requested me, the last time I saw you, to furnish you another report of the Artillery Battalion. You will find the report enclosed, and it is substantially the same. I submitted to you not long since, except that Capt. Woodruff's Company is included.

The companies brought by Major M. Cowen I have not yet heard from.

Capt. J. B. Canethers ought to be here in a short time with his company.

As you will see from the report, Capt. Humes' Company is very small. They are all Irish, and are the "Gibbs Confederate Guards," whose petition is enclosed, and respectfully submitted for your favorable consideration. The two combined would make an excellent company, & I trust you will be able to see the way open for issuing an order that they report to me, to be assigned to Humes' Company.

Capt Jones is getting men in Memphis, and will, I presume, soon have a full complement.

Sir.

The following Field Officers in this Brigade, have not yet been assigned to duty, since the re-organization - Some of them have not been examined. If it is not intended that they shall be examined, or any Regiment consolidated, I would respectfully suggest that the interests of the service require that (in some instances at least) they be assigned to duty.

In 5th R. I. B. - C. D. Beasly, Colonel - Wm. C. Spurr, Lieut. Col. I have examined Major. The Lt. Col. Major have been examined, have been all the time with the Regt, but have not been assigned. Col. Beasly is absent on sick leave, and it is desirable to have Major Spurr placed assigned to duty if they have passed. If not, then to appoint others in lieu.

13th R. Art. Bn. R. A. Mearns - Major elect. Has been in camp since we were at Redwin, but nothing has been done. It will be necessary to appoint a Colonel, McNeely's resignation having been accepted, I am not prepared, however, to nominate any one for the place.

31st R. I. B. - Wm. H. Jenkins, Lt. Col. elect, S. H. Hudson, Major elect, are in camp, but have not been examined - G. E. Towse, Colonel elect is here also, has been examined & passed, & during his absence was assigned to duty. The order, however, was revoked. Col. Harford, who is still in command is a very good, reliable, & valuable man - rather slow, indeed, but if there is a place in the Brigade he would accept, and to which he could be appointed. I would be glad to see him retained. He is a conscientious

Dear Sir

On yesterday, Genl. Snodgrass gave me a leave of absence for two weeks, ^{to enable me to visit} my family in Middle Tennessee, from whom I have been absent with the exception of a few days (not more than a week in all) since the 25th April. I deemed it advisable, as Genl. Snodgrass left here and relinquished the command of the Post to Col. Walker, to inform you of the fact, and await your approval, before leaving here. It seems to be a more favorable time for me to be absent, and in my wife & childrens, just now, than may occur again for some time. I would be glad to go, and grateful for the favor. ~~It~~ disposed to appear, will you oblige me by signifying the same by telegraph?

Dear Genl. Richmond

Colonel.

I beg to call your attention to one of the disadvantages in my opinion. viz. that of clerks. I had to have good men to do the business of this Dept. which I found when I took charge thereof. in need of information. I consequently hired Mr. E. C. Leguil on the 20th of Feb. to take charge as Chief Clerk and in April such was the prep. of business that Dr. J. W. Bailey had to be employed. In that month Mr. Leguil is perhaps your senior in the field by reason of his long labors in wishing to serve his Country in some way. Left his business & took the situation above named. & then before we knew anything about the loss of 15th Feb., I wanted to ask you. Can I or cannot I employ a clerk from Civil life? In the ^{old} ~~prob~~ clerical they were not dissatisfied then why in the present? It will place us at great disadvantages

Should any

on looking over the paper after their

Ordinance Office, July 27, 1864.

Col. W. D. Johnson

Chief of Ordnance

Sir:— When I left Stewart's Brigade—
of which I was the Ordnance Officer—about the 18th of June
last, I had not obtained receipts from the Ordnance and
Regiments for all the Ordnance and Ordnance stores I had
cleared it them. I have since furnished them receipts and
receipts and out of the Ordnance expense is upon the
account because their Ordnance Sergeants cannot account
to them for all the stores charged to them. I am
confident the Summaries are correct, as they agree precisely
with the Summaries furnished me by the Division Ord.

Officer. The names of these Rts are as follows.

1st Lieut. & J. A. Keller, 4th R. P. V. Sta. L. B. Brigade, Johnston's Div.

2nd Lieut. W. P. Jones 33.

" " " " " " " " " " " "
I have made several applications to their 17 pieces per receipts
without success. You will please inform me what course
I must pursue, to obtain vouchers for these stores.

I am, Sir, very Respectfully,

Sir:

The Articles (Medicine and Hospital Supplies) estimated
by Surgeon Wm. Stoddard, Medical Surgeon C.S.A. on the
22 inst. I find to be of good quality, and excellent. There
is the discrepancy between his invoice, and the Articles
received. viz: $\frac{3}{4}$ a dozen, instead of 1 lb, and 9 dozen
Rubber bandages, instead of 10 dozen.

Yours Respectfully &c. Wm. Stoddard.

RECEIVED

23rd Aug 1862

Dear Sir, 16th Aug 21. 1862

I am in receipt of your letter of the 14th inst. in relation to the resignation of Surgeon M. Hunt of this Regt. was accepted by the Adjutant General's Office at 1862. I have for the promotion of the Adjutant General's Office to the rank of Surgeon and that his services be continued with this Regt.

Dr. Hunt enlisted as a private in Co. D. of this Regt. Jan'y. 28 1862. He served in this capacity till June 15th 1862 when he received the appointment of Asst. Surgeon and was assigned to this Regt. for duty. He has been with it from that date.

The reason for making a direct application in this case is owing to the unusual merit of this officer. He is skilful, industrious & assiduous in the discharge of duty and not afraid to follow the line where merit are needed and Surgeons are needed. Furthermore he does not use alcoholic beverages and when whiskey is placed in his charge it is kept for and administered to the sick. The high rank as far from obtaining it as the humblest private, unless their physical condition requires a stimulant. I am satisfied that every officer in the channel through which this application must pass will fully endorse what I have written of the value of Dr. Hunt as an officer.

Richmond Va.

Dear Sir,

When I was in Richmond,

in the early part of December last, I received a letter from my wife informing me that she had written to you as an old acquaintance & friend. I was long & very kindly & nice in my replies.

I would have seen you in Richmond, but my time was limited, and I was obliged to leave there before you arrived. I hope it is not too late now to make known my request and to ask your sympathy and aid. Before doing so, it will be necessary to put you in possession of facts as a data to work upon.

My wife is Cordelia a daughter of Mr H. Duncan formerly of Madison County Miss. We have been married seven years and have one little daughter. I am thirty four years of age.

In 1867 I graduated at the Western Institute at Cronon Springs Kentucky. When moved to Vicksburg Miss. where I had until late looking out of this war. In April 1861

enlisted as a private in the 4th Va Regiment but
was immediately ^{rec'd} a volunteer and assigned
by the Colonel as adjutant. We were soon
after ordered to Virginia. During the summer
of 1861 I resigned and immediately after applied
to His Excellency The President for an appointment
based upon a very flattering letter of recommen-
dation from all the officers of my old
Regiment coupled with my diploma from
the W.M. Institute and other evidences
of qualification. In October 1861 I was
appointed by The President as a
Lieutenant & Adjutant and assigned
to duty with the 4th Va Battalion. This
Battalion originally had the right to
elect all of its officers. The officers and
men were all new and I soon found
that I had other work besides the position
and some what onerous duties of my office
to do. It became my duty as an officer
having the good of the cause at heart to
drill the troops and instruct the officers
which I did to the best of my ability.
I have seen those officers taking rank
above me by the law of promotions according
to seniority in Companies. While I have
been debarred all promotion. Some are

now Captains & some are 2nd Lieutenants
and some have gone to a higher grade.
In May 1862 The Battalion by the addition of
another Company became entitled to a
Lieut Colonel. At least half of the officers
and more than four fifths of the men
desired that I should be appointed as
Lieut Colonel to the Battalion to which position
I would have been elected if they had.
But the right of election granted to them
their preference and desire is clearly expressed
in a letter, now on file in the War Dept.
addressed by them to the Hon. Secy of War
under date of June 4th 1862. His Excellency
The President has seen that letter.
Their application was too late to effect
anything. Now it is, what for nearly
three years I have been by some law
debarred promotion to which I believe
myself justly entitled. My friends have
given ample testimony to my skill in
Military knowledge and to my untiring and
unsparing exertions in our Country's cause.
I have hoped, that justice would at last
be done me. I feel that I have earned
a promotion. And yet I am told that
the Dept. is not empowered to promote
one who is out of the regular line of

promotion. I believe there is a law which
gives the President power to promote in the
case of extraordinary skill or ability in
military knowledge. If you will examine
the numerous papers which I bring up to
at the War Dept, you will find there, ample
evidence of my ability & skill. In consequence
of my improved health, and the reduced number
of the command to which I belong, I was recently
reassigned as Commandant of the First
my family are with me. I rely upon them,
and opposed of doing them, they suffer
for the necessities of life. my salary
as a Lieutenant is not sufficient to
support them, and it is a fact that we have
to depend upon. I write freely & candidly to
you because I wish to set the matter
openly before you; and ask you to try to defend
his Excellency the President. He appointed me to a
Lieutenancy (as he most promote me to a
Colonelcy). I am in command of the Post where
there are some twenty officers ranking
as Lieutenants. Captains & Majors. ~~and~~
~~in the~~ All officers & soldiers in the
army I have been associated for the past three
years in twofold to my ability to handle a Regiment
and even a Brigade with a skill. I wish you
Dear Sir. to try my prayer before the President
and to make an effort in behalf of justice.

of this war. Then to make us as a truly efficient

officer in command, in whom we can place every
confidence should we be called on to face an enemy
such a man we have acting as our Adjutant Lt
W. H. Shushly Lt. La. Batt.

W. H. Shushly has drilled the Battalion for
four months, and we have found him to be a thorough

who is capable of managing the men.

For his (W. H. Shushly) capability of com-

We have sent you these papers that you
may lay them before his Excellency. President

under consideration, and make the appointment so
much desired by more than three fourths of the
men and about half of the officers.

My Mother

Your paper on the 11th inst. with enclosure has been received. Major Wilton suggests a place in which to place necessary Departmental papers but I do not think I would make a good station-master even if I were able to give the required bond which under the circumstances I cannot believe I could do. He also says something might be done on the increase of organizing.

That is just the thing - for all officers and men with action in D have been associated during the war. There have been

My dear friend,

excusing the above in an official character as suggestions or advice, your my work I would soon see that you as an old and valued friend - has well & be ashamed to refuse my proposition to you. Then you will see the cause of my anxiety for information - Boston has but little to do with it - it is a fact - has become almost a matter of life and death with us. In April 1861 at the very opening of this year - I left Rochester before any Company or Union was ready or willing and entered as a private in the 54th Regiment of Colored Troops - have patriotism imbibed me. I believed that I would be able

through my knowledge and energy to work my way to a high position - but unfortunately I got into the class for which there has been no information - although the odds are the most in favor and genuine skill & energy.

When I left home I left no doubt in comfortable circumstances. But the money was so trifling & so that one of every vestige of property would be more than a year my wife with her little ones has been wandering in exile from home - depending upon my meager salary for a support which has been hardly sufficient to provide food - wear & shelter & clothing. She has sometimes

1. The first part of the document is a list of names and dates, which appears to be a record of some kind. The names are written in a cursive script, and the dates are in a more formal, printed style. The list is organized into two columns, with names on the left and dates on the right.

generally" would not hear from them. In the mean time, I was engaged in gradually instructing and drilling troops then encamped about Richmond. On the 12th of Oct. I was appointed Platoon and assigned as Adjutant to this Battalion. I came to my post and found the Officers and men totally ignorant of the science of War, and of tactics. Besides doing my office work, I have, for more than a year, been engaged in instructing and drilling my comrades here. During the Spring of this year a sixth Company was added to the Battalion, which entitled it to a Lt Col to command. Some of the Officers desiring to know how that office would be filled, inquired at the War Department, and were answered, that as it was an office created by the introduction of another Company, and not a vacancy, it would be filled by election. No order for an election was ever issued, but on the 28th of May an order was received appointing the present Lt Col & Major. The enclosed letter was immediately written and signed by a majority of the Officers then present. It was handed to me to be used as I thought best. I did not send it to the Department, because of

certain clauses which it contains. I did believe it was not handed to me until just before we went into the battle which took place on Burnside Island in June last. Since that time, another letter of similar import has been sent through the proper channels to the Department, but has received no notice. As I do not belong to any particular company, the law of promotion claims me from any promotion except at your hands. I have been Captain since the Field Officers and subalterns came in this command since my connection with it. And to those same officers, I have taught the very rudiments of Military Knowledge. Five years of my life were spent in a good Military Institution. Unfortunately, not West Point. My Diploma, with other papers, is in file in the report. My dear Sir, it is not merely a Soldier's ambition which impels me to beg your consideration of my case, and which makes me desire promotion. I would be glad to be in a more important position through ambition, motives. But there is another and more sacred motive. This acknowledgment I make to you as a Christian gentleman and soldier. I have a wife & Child and an orphaned Sister entirely dependant on me, and who, in these severe times, find but a poor living in my Lieutenant's salary.

See if all the evidence before you do not prove
me worthy of your notice and kindness. Will me
again that I am; and I will yield a Soldier's
obedience - But I fear you, Sir, give my case
a few moments consideration -
The enclosed letters I beg you will return to
me as I do not wish it to go on file -
I already have quite a bundle of papers there.
With some of them I am giving you.

And Official Receipts, I remain

Yours Robert S. Davis
